Questions

What does the filing-deadline watch do?

Each matter carries a filing deadline. As it approaches, attorney tasks escalate at 30, 14, and 7 days out, with client document nudges alongside, and it stops once the matter is marked filed.

Is the client-facing tone appropriate for bankruptcy clients?

Yes. Every client-facing message is plain, general information and encouragement, never legal advice and never a lecture.

Installed for you, included. We push the pack into your Lawmatics, map it to your fields and links, customize the copy, and run a short review call. No setup fee.
