- Reviews & Reputation Engine

Plus, tuned for business, commercial, and employment firms

- Business new-client information sheet
- Litigation and transaction intake supplements
- Entity and matter-type fields
- Commercial nurture

How it installs

The whole pack is delivered through the LexLabs Lawmatics agency. After a quick onboarding (we email Lawmatics support and CC you to add your firm to our agency; you reply to confirm), we push it into your account in about one click. You then activate and customize, starting with each engine's setup guide.

Questions

Does it handle both litigation and transactional?

Yes. The intake supplements cover both.

Can I add the dashboard pack?

Yes. The Rainmaker Dashboard Pack pairs well for partner reporting.

Installed for you, included. We push the pack into your Lawmatics, map it to your fields and links, customize the copy, and run a short review call. No setup fee.
