How it installs

The whole pack is delivered through the LexLabs Lawmatics agency. After a quick onboarding (we email Lawmatics support and CC you to add your firm to our agency; you reply to confirm), we push it into your account in about one click. You then activate and customize, starting with each engine's setup guide.

Questions

How is it different from the base engines?

The intake, routing, and nurture are tuned for family law, including sensitive-matter handling.

Can I customize the questions?

Yes. We tune the intake to your process during install, and it is yours to edit after.

Installed for you, included. We push the pack into your Lawmatics, map it to your fields and links, customize the copy, and run a short review call. No setup fee.
